Gujarat University

Subject: Undertaking and Request for Permission to Remain Absent Due to
Internship/Job

Respected Sir/Madam,

I respectfully submit this application to seek permission to remain absent from regular lectures on account of my internship/job engagement at **[Company Name]** from **[Start Date]** to **[End Date]**. The internship/job schedule overlaps with my regular academic timetable.

I hereby state that I am opting to pursue this internship of my own willingness and accord. I fully understand and acknowledge that the **Placement Cell** and **GUCPC** shall not be held responsible for any academic loss, shortage of attendance, or any other academic consequences arising due to my absence from lectures.

I further undertake that no extra lectures, special classes, or academic considerations shall be arranged or provided by GUCPC. I shall independently make necessary arrangements to cover the syllabus, obtain notes, and complete all assignments, practical work, submissions, and academic requirements within the stipulated timelines.

I also clearly understand that I must appear for all internal and external examinations as per the university schedule. Under no circumstances will **GUCPC** permit absence from examinations on account of internship/job commitments. I agree to comply strictly with the prescribed examination timetable.

I therefore request you to kindly grant permission for my absence during the period.

Thanking you for your consideration.

Yours faithfully,

sign
